

# **Notice to Bidders**

This is to advise you that the Department of Public Works has revised the boilerplate for the “City of San Antonio Project Specification for Public Works Construction”. The changes are as follows:

Working days to calendar days.

Doubled the liquidated damages per day.

Some references updated.

Increased the termination of bid (SIB Section 5.2) from 60 calendar days to 90 calendar days.

Sampling and testing of materials from the City to a commercial laboratory designated by the City of San Antonio (5.2.3 General Condition).

6. SBEDA requirements.

7. Bid submittal time.

8. Number of envelopes.

Should you have any questions on this matter, please call Razi S. Hosseini, P.E. Assistant City Engineer, at (210) 207-8076.
